Thank you Kristen Bellows.

I know Steve mentioned that ODNR wished to review our data as well before possibly releasing the pad for construction. Please let me know if there are any questions regarding our data as it pertains to commencing work on the Eisenbarth Pad.

Thank you,

Good morning Mr. Justice,

We sent out the final groundwater sampling report to the ODNR yesterday. This report does include our laboratory reports for the samples collected in June.

Please let me know if you have any questions.

Thank you,

Kristy
